# PRESIDENT'S REPORT

Well who would have thought that at the time of writing this report the country would be enveloped by a global pandemic.

The season finished and unfortunately due to the restrictions placed on all of us we haven't been able to have the clubs normal Junior or Senior presentations to award those teams that made the finals and to present all of the teams with the trophies.

Id like to thank, in their absence, the coaches and managers from all of the teams as well as the parents for assisting the coaching staff with the teams throughout the season.

To the executive Kerry, Doug, Liz and Rod and the committee, again Id like to express my thanks for the hard work you have all done during the 19/20 season and for the continued work you are doing during the period of uncertainty. New ideas and a new passion is what the club is looking for and with the current team of people we have running the club we are set for some very successful and fun times in the future.

We have now had the success of the grant, headed by Matthew Johnson's grants team, that will finally afford us the opportunity to build the batting cage before 2020 is over. To Col Bowmaker and Jason Chabi, we are all thankful for the years of work and consultation you have both endured with council and private companies to get the plans passed and in place ready for construction. The talk of a batting cage has been around for over 10 years and now I'm am very proud of the fact that we will be able to build and then present something that our senior and junior players that they will be able to use for decades to come.

Thank you again to Kyle for her efforts with the canteen. Kyle continues to find ways to grow the revenue from the canteen and hopefully we will be in a position to continue with the canteen sales in the coming season.

Thank you to Doug and Samantha Robertson for again ensuring the uniforms are available and in ready supply.

To Scott Ingwersen again a big thank you for the continued work on the grounds and the team kits and equipment. To Mike Parker for his support of Scott and his ongoing work at the ground and behind the scenes each week.

Our umpires, many new, again excelled and this is again due to the work that Dave Kennedy continues to put in with them. Dave your understanding of the game and calming nature has certainly instilled a confidence in our young umpires that continues to put them out front proudly representing the Braves.

To Deb Delaney, thank you for your work with the Facebook page and getting the message out to our members. Unfortunately, we weren't able to hold a fundraiser this year but with your energy Im looking forward to what we can achieve in the coming season for the members and the club.

Thank you to our major sponsor Club Engadine yet again this season. With the batting cage looking likely to start construction in the coming month, it has been the support of Club Engadine for over a decade that has assisted our club to be able to focus on the members and keep the kids playing, whilst ensuring we have updated and new equipment each season for them to use.

Lastly I would ask that if you have some time and are in a position to assist us with the coming season or are in a position to nominate for an executive or committee position, please do so. We need the drive that comes with new people on the committee in order to come up with new ideas, new goals and to ensure that our members are cared and provided for in the years to come.

Yours in Baseball,

*Darren Hart*

President – St John Bosco Baseball & Softball Club

# SECRETARY'S REPORT

I'd like to thank the Executive Committee and wish them the best for next year. It's been a pleasure working with the Hart's, Liz and Doug.

While COVID 19 impacted significantly on the club and our activities in the new year, it was pleasing that we got through most of the games with only finals impacted by the Pandemic.

I was delighted when the Exec all confirmed that they wished to stand again this year. This is the only time I can recall those members putting their hands up prior to the AGM which is magic. While they joked it was about being around to revel in the glory of the Batting lanes and the 40<sup>th</sup>, they all realise they will be doing significantly more than they have in recent years. The Exec is responsible to motivate club members and the community while managing COVID 19 and its impact on Community Sport. Hats off to them.

To the incredible committee members thank you again for a wonderful year. I am in awe of the work that people in the Braves do to get everyone on the Diamond - our grounds, our gear and uniforms, liaise with Associations, canteen management and getting our umpires ready as well as parents who coach and manage teams. You are the real workers and the doers. Thank you.

To the parents and players, it has been a pleasure supporting the activities which allow you to play Baseball. This is your club so please consider how you can make a difference for your kids or for the club if you are a senior player.

This will be my final secretary report and a chance to outline some positives and some challenges. The Exec are aware that I have had a recent personal issue which will mean my families time available to assist the club on the committee will end at the 2020 AGM.

To be fair, the Exec also know I lost almost all my momentum for this lovely little club trying to influence others about the principles of community sport and participation versus talent development in a local club context. It was however great to have most of the Exec support me when this was tested last season.

I have been really proud of many achievements that occurred over my time. The work I led to cement a framework to allow the club to actually reach a few long-standing hopes and dreams was a highlight. Most have probably forgotten the work to develop a three-year Club plan based on wider member consultation through Survey Monkey. A plan was formulated to coordinated member roles to improve facilities, grant applications, sponsorship and engagement. This was in fact the 'not so secret' reason we have been successful. We planned and we did.

Good luck in the future.

Kerry Fielding

2019/2020

**-CLUB AWARD WINNERS -**

**Senior Baseballer:** Andrew Parker

**Junior Baseballer:** Mikah Targett

**Coach of the Year:** Simon Parker & Dan Gaut

**Club Person of the Year:** Scott Ingwersen

2019/2020

# CLUB PERSONS OF THE YEAR

SCOTT INGWERSEN

The Club person of the Year award acknowledges a person or persons who during a particular year have given great service and made significant contributions to the club in that year.

This season as usual we had a number of very deserving nominations and the Executive has awarded the Club Person of the Year to Scott Ingwersen.

Scott has been a mainstay of the Bosco Club for as long as we all can remember. Taking over from the great Lawry Hargraves over 10 years ago, Scott has been the clubs groundsman and gear steward. What makes Scott role so much more difficult has been the fact that each season we lose the diamonds to soccer and must rebuild the grounds each year in order to play at Heathcote.

Playing on those diamonds and seeing what Scott has been able to achieve year in year out is simply remarkable. Whilst biased I have always been proud of the fact that our ground is presented impeccably each year for our members and the teams traveling to Bosco to play.

Outside of the physical work involved with the grounds, Scott has been on the committee and played a big role in the continued development of the club for many years. As a player, a coach and a mentor to younger players as well as those that play with Scott at the senior levels, Scott has always carried himself positively with a passion to do whatever is needed to ensure the Braves are successful on an off the field.

With an unparalleled passion for baseball and the Braves blue running through his veins Scott is a deserved recipient of the Club Person of the year for 2019/20 season.

Please join me in congratulating Scott

*Darren Hart*

President
