

FIELD SET UP

- Put bases in - there are drop ins for each size game, put plugs in 3rd base dugout - except Diamond 5 (this field is just a back-up field and will use hammer in bases)
- Measure out pitchers plate distance and hammer plate in (distances all below)
- Set up scorers table and chairs
- Diamond 4- set up shade house for scorers
- Hang *McLaren* banner on the scorers box and prop up *McDonalds* banner (hook black storage bag at the bottom) and place opposite BBQ (see pics). Will need a mallet for this banner.

FIELD PACK DOWN

- Take bases out - ensure that the plugs are put back in the holes
- Remove pitchers plate
- Put back on an pitcher mound and home plate covers
- Diamond 1 & 2 - ensure that you rake the dirt when finished
- Fold *McLaren* banner and take down *McDonalds* banner and place in storage bag. Pop back into storage container (see pics)

**note- bases, scorers tables, shade houses etc all get locked into the dugouts

Age Group	Base Paths	Pitching Distance
